

Providing services for professionals covering a wide range of sectors such as;

- Travel Agencies
- Tourist guides
- Private Enterprises and other individuals

You can count on our vehicles, if you wish to organize various events and according to your company different needs.

Our fleet is very varied, ranging from small mini bus to the large buses of 53 seats.

The importance of our work is noteworthy, providing clients with these facilities, as it means they don't have to invest in a fleet of vehicles, by delegating these services to us.

Our drivers are properly qualified and where necessary, we have tourist guides with expertise in a wide variety of languages.
